President / CEO

The leadership and staff at ASTI live and breath “mission success” every day they come to work.

We look forward to the opportunity to serve you with our award winning and world-class support services.

# ACHIEVING WORLD-CLASS MISSION SUCCESS

*American Services Technology, Inc. (ASTI) is a Service-Disabled Veteran and Minority-Owned small business contractor, providing a broad spectrum of services nation-wide focused on mission support for the U.S. Government, prime contractors, and commercial agencies.*

For more than 20 years ASTI has delivered world class support services that ensures the mission success of our clients. Our portfolio includes capabilities in logistics support, base operations support, and facilities support services.

ASTI is regarded as a trusted partner, and the premier small-business support services contractor to the U.S. Government and large business prime contractors. We have done this by implementing our tried-and-true management fundamentals, making the best use of available resources and technology, monitoring and controlling our execution, and continually evaluating ourselves so that the quality of our work keeps improving.

ASTI employs the management expertise, financial systems, safety and quality programs, tools and processes that enable successful contract performance. We place an emphasis on consistently achieving mission success, which has led to numerous prestigious awards and recognition.

*Drawing on our extensive experience, we offer  
customized solutions in all of the following areas:*

LOGISTICS 

ASTI has an award winning history of providing comprehensive logistics and supply chain management solutions to the U.S. Government and prime contractors. Today's military and government agencies depend on effective and efficient logistic services that bring exceptional value to support their mission. Our goal is to provide effective and timely Logistics Support that ensures the mission success of our clients.
